

# Growth Mindset LEARNING

A task must have a **Framing Process**.

Learning tasks should **Encourage & Promote** challenge.

Focus on a **Strategy** to achieve through effort.

**Evaluate Performance** and set a **New Task**

## NOT YET ACHIEVED THE TASK

The framing tool enables reflection on the Process, Evaluate and Goal Setting to promote further learning.

## ACHIEVED THE TASK

The framing tool allows Evaluation of the Process and Goal Setting to progress and promote further learning.

*"Adopt a **Growth Mindset**, embrace challenge as a learning process"*
